BANKS PAY UP!!! "Blue letter day" Th 30 Mar 2017

Very interested in feedback from BRN members!!!

Can we start collecting statistical data plus develop a plan for steps to compensation? All steps must add pressure for a RC. Is BRN able to set up a database so can statistically start to 1. collect data the total quantum of prospective claims 2. the cost of bank misconduct on social services funded by the taxpayer (medical, pension, courts etc) 3. group and link bank victims (by region or bank) 4. identify prospective negotiators Dr Branson? Jeff Morris (CBA whistleblower)? Denise Brailey? (BFCSA) others??? Do we have anyone who will volunteer to consolidate the documentation for the negotiators and statistical data? Can we coordinate dates for various events and actions? Looking for comments and feedback!!!

BANKS PAY UP!!! Five Steps to Bank Victims Compensation "BLUE LETTER DAY" - 30 Mar 2017
5 STEPS TO BANK VICTIMS COMPENSATION SETTLEMENT

Bank victims, you may be entitled to COMPENSATION if you have suffered loss or damage due to WRONG-DOING by the banks.

Banks and their agents, brokers, liquidators and solicitors need to know that corporate CRIME DOES NOT PAY!!!

I am in the process of putting together a team of highly skilled and respected advocates/negotiators for each bank's group. If you know suitable individuals who are prepared to take on this task, please recommend them.

When there are sufficient numbers in each bank group eg 5-15, if you elect to, you will be contacted and referred you to a negotiator who will attempt a quick and private settlement of the entire groups' claims.

Please note, I am not in favour of the signing of a gag order with the private settlement. However, it must be recognized that some individuals have been carrying the torch for a long time. Permitting some early settlements is justice in itself.

Also from the banks' point of view, if the banks themselves are seen to commence holding themselves to account for their misdeeds and to pay proper compensation; then it will go a long way towards restoring confidence in banks to undertake genuine reform. A gag order may not be in the banks' interests either.

STEP 1 - Register

Please register the details of your claim with us. Email me lorainemc@gmail.com with REGISTER - BLUE LETTER DAY in the subject line. I will arrange a time for a phone interview. This will take about 10-15 mins.

You will need to provide some information regarding your claim for

-
1. Statistical purposes.
 2. Referral to a suitable negotiator if you elected this option

STEP 2 – "BLUE LETTER DAY" - Thur 30 Mar 2017

Write your story! ONE A4 "blue" page each only, please!!!

Send your 'blue' letter in a BLUE envelope to me to arrive as early as possible before 23 MAR 2017.

On "Blue letter day", I and some volunteers will deliver, hopefully, 18+ mail bags bulging with "blue letters" to the steps of the head office of each relevant bank in a convenient capital city.

Before delivery, on the steps of the bank's head office, I/we will read out each one of the 'blue stories'.

Your voice will be heard and your story will be told.

Address your letter to:

- "Blue Letter Day"
- 86 Beach Parade Maroochydore Q 4558

(Blue it anyway at all ie blue frame around edges, blue sticker, use blue paper etc.)

STEP 3 – PUBLICATION OF STATISTICAL INFORMATION

The consolidation and publication of statistical data showing -

The total value of prospective claims against the bank! The bank will need this to budget appropriately.

The total number of bank victims that are now drawing welfare, the type of welfare and over what period.

The estimated total costs being picked up by the taxpayers due to bank misconduct.

STEP 4 - REFERRAL

When the numbers are achieved, you will be contacted and referred to a negotiator/advocate who will act on your behalf if you made that election earlier.

STEP 5 - SETTLEMENT

It is hoped that a proper offer of settlement will be forthcoming and the claims settled quickly. The negotiator will receive a fixed fee as arranged prior to engagement if the settlement is successful.

If a settlement is not achieved the above actions and associated press coverage will aid in adding pressure to the calls for a Royal Commission.
