Can't Make It To Canberra - November 21? Use Your Power & Voice Right Where You Are.

Summary:
Thousands to rally right around the nation. At the very same time that many bank victims will be telling the politicians that have the decency to come and hear their stories outside Parliament House we have organised people to assemble outside every MPs electoral office to have petitions signed. The message will be loud and clear - The people want a Royal Commission, they want the rip offs stopped and they want the crooks jailed. We are fed up with the self serving lies. We don't want anymore phony committees, commissions or inquiries. Don't invite CEOs to lunch ... invite them over to serve a long term.

Calling All Aussies - Take The Bank Reform Battle Right Up To Your Local Pollie

Can't get to Canberra? Want to sort out the banks? Want to help prevent the next financial crisis? Want your kids to get a fair go buying a home without being ripped off?

© Bank Reform Now™ - Australian Non Profit Organsiation - campaigning to put a stop to predatory, unconscionable banking practices.

Well you can be part of the Tell the Truth to Turnbull - #TTTRally in every corner of our country.

Monday November 21 at 12 noon - be on the street outside your local member of parliament's electoral office.

Get a BRN Rally T-Shirt to wear on the day. Order one now.

We also have a petition for you to print out (see file attached below). You can also make up some placards demanding Bank Reform Now. The aim is to make some noise.

The mainstream media will not be able to ignore a countrywide rally running at the same time as many of us are listening to bank victims tell their stories in front of Parliament House.

IMPORTANT: Make sure you let your local newspaper, radio and TV stations know that you and a crowd will be there.

You can tell passers-by about the way we are all being ripped off every day by a crooked banking system. Tell them how our governments have let the rip offs continue for decades. Predatory lending, farmer suicides, insurance scams, fraud and forgery in mortgages and financial planning, rate rigging. Tell them to sign your petition demanding a proper Royal Commission. Get them to the BRN website. Tell them it is time for action - before the next financial crash.

We would like to see at least 10 of you at each electorate office right around the country. Your Member of Parliament's office address can be found right here ---->>>

Members of Parliament - http://www.aph.gov.au/Senators_and_Members/Members

We have very big fish to fry so we want hundreds of you on the street out front of the big shots involved with banking and finance:

Malcolm Turnbull - Ground Floor, 287-289 New South Head Road (Corner Edgecliff Road) Edgecliff, NSW

Scott Morrison - Suite 102, Level 1 - 30 The Kingsway Cronulla, NSW

Mathias Cormann – Level 38, Exchange Plaza - 2 The Esplanade Perth, WA

Kelly O'Dwyer - Suite 1 - 1343 Malvern Road Malvern, VIC

Bill Shorten - Suite 1A, 12 Hall Street Moonee Ponds, VIC

Chris Bowen - Shops 3 & 4 398 Hamilton Road Fairfield, NSW

Matt Thistlethwaite - Shop 6 205 Maroubra Road Maroubra, NSW

Every single Member of Parliament and their staff have been personally invited to attend the rally on the lawns of Parliament House. We have an amazing line up of bank victims and experts on bank fraud and the unfolding crisis.

This is it guys – years of work has gone into preparing for this. It really is the best shot we have to get the banks and banking system sorted. The corporate controlled world we are heading toward will see a smaller and smaller elite controlling your life and keeping you living in fear with a shrinking share of the nation's wealth. If you want to help bring about a better way of life for you and your family come to Canberra or your local MPs office and make sure Turnbull and his colleagues as well
