Bad Banking Experience - Full Story:

I still have the solid evidence of a double payment to BMW finance through the Commonwealth Bank which the Courts never acknowledged, ending up in my bankruptcy.

I witnessed conspiracy and corruption at the highest levels of Government and prestigious companies, including Print Media, Commonwealth bank and BMW finance. Happy to provide evidence if you ever needed to use it.

Fought for Justice for 12 years, even surpassing time limitations.

Life is looking somewhat better now, and a screenplay is on its last revision to be placed on the Hollywood data base and presented to a number of Australian production companies for consideration as well.

I will never stop trying to get my story out, it was unimaginable what was done to me and mine throughout this time frame. I am a woman of integrity and have found out what the elite can do to the people and the harsh reality this world can inflict on the people and I would die for the Moral Stand I continue to make.

Thanks for the opportunity to share once again, for old times sake my awesome untold story.

How My Life Has Been Affected:

Total destruction emotionally, physically, financially, spiritually.
